PROFESSIONAL SUMMARY

Computer Science graduate currently serving with the NYSC on the frontend team at **Wema Bank Plc**, building web applications with **React** and **TypeScript**. Comfortable across the stack with **Node.js** and **Express.js**, and experienced in shipping multiple websites. Seeking a **frontend developer** role where I can turn user needs into clean, reliable, user-friendly software.

EXPERIENCE

Frontend Developer (NYSC Corps Member)

Jun 2026 – Present

Wema Bank Plc

- Part of the frontend team, building web projects with **React** and **TypeScript**.
- Built the **frontend** of **DevSpace**, a social platform for developers and tech-minded users, using **React**, **TypeScript** and **Tailwind CSS**.
- **Live Demo:** devspaces-frontend.vercel.app
- Developed key DevSpace features including the **feed**, **people** page, **leaderboard**, **navbar**, **history** and **article details** page.

PROJECTS

FinTrack: Personal Finance Tracker

React, TypeScript, Tailwind CSS, Express.js

Finance tracking web app

- Built and deployed a personal finance tracking app with **React**, **TypeScript** and **Tailwind CSS** on the frontend and **Express.js** on the backend, with **budgeting** and **analytics** features.
- **Live Demo:** fin-track-gamma-ten.vercel.app
- **GitHub Repository:** github.com/olawaleonabanjo/FinTrack

Medication Reminder App

React, TypeScript, Tailwind CSS, Express.js

Health reminder application

- Built an app that helps users keep track of their medication, using **React**, **TypeScript** and **Tailwind CSS** on the frontend and **Express.js** on the backend, with **medication scheduling**, **reminders**, **user authentication** and **medication management**.
- **GitHub Repository:** github.com/olawaleonabanjo/Medication-Reminder-App

Forever: E-commerce Website

React, TypeScript, Tailwind CSS, Express.js

Online store

- Built a full e-commerce website with **React**, **TypeScript** and **Tailwind CSS** on the frontend and **Express.js** on the backend, featuring a **shopping cart**, **checkout**, **user login** and an **admin panel**.
- **GitHub Repository:** github.com/olawaleonabanjo/FOREVER-E-COMMERCE-WEBSITE

EDUCATION

B.Sc. Computer Science

2021 – 2025

Joseph Ayo Babalola University

- **Role:** Vice President, Computer Science Department

SKILLS

Frontend	HTML, CSS, JavaScript, React, TypeScript, Tailwind CSS
